

A highly skilled Front-end Developer and UI Designer with more than 5 years of extensive experience in the field. My expertise lies in crafting intuitive and contemporary web applications that possess the ability to scale effortlessly while maintaining simplicity in maintenance. My specialized skill set includes proficiency in [JavaScript](#), [TypeScript](#), [Angular +2](#), [React/Next.js](#), [Node.js](#), [CSS/SASS](#), [Bootstrap/Tailwind](#) and [Figma](#). The aspect I find most gratifying in front-end development is its potential to bring value to individuals and businesses through the implementation of creative solutions.

EXPERIENCE

Ministerio de Industria, Comercio y Mipymes, Frontend Developer — *May 2022 - Current*
